April 2024

ARE YOU STILL WONDERING ABOUT WHAT THE POTENTIAL JUNIOR HIGH PROJECT ENTAILS?

In a few words, we are blessed to have a bursting campus, but we need more space. Over the years, we have made the best use of the space we have, using every room, nook and cranny to educate our next generation. We have no more space, yet new families still seek to send their children to form their hearts, minds, and souls.

Instead of turning new families away or increasing tuition, we whole-heartedly believe that our best route forward is to continue Monsignor Harrold's vision of using the Cathedral Center. The renovation of its second floor will provide ample space for 6th-8th grade classrooms and will then free up space for the younger grades to have fewer students per class.

We hope to hear from you, the faith family whom we happily serve, before moving into a Capital Campaign. Please scan the QR code to complete a short questionnaire to share your thoughts on this project.

Your input is essential to help us know how best to serve you and our growing family.

Library News

April is an exciting month as we approach the end of the school year. Please look for lost or over-due books that your child needs to turn in. Our Literati Book Fair was a huge success, and thanks to our generous parents, grandparents, relatives, and friends I am able to place a book order with 187 new titles. The students are anxiously waiting for the arrival of these new books.

A Special Thank You to:

Kevin and Tammy Janak - for a generous donation to purchase library books.

Tammy Janak – for all her hours of work helping to eliminate some of the older and unused books.
