PREFACE

Herein is provided basic information about Our Lady of Victory Catholic School (hereinafter called OLV) that we believe will benefit all. We call on all parents and students to become familiar with the mission statement, philosophy, vision, goals, objectives, guidelines, and policies as they are outlined in the following pages.

History shows our school to be a most reliable and efficient educational institution. But OLV's special attraction lies in experiencing the school as a living and loving community, continuously striving for a greater appreciation of the intrinsic value of each student, and eliciting from that student continual growth toward the full measure to which he/she is called by God.

May these pages bring a deeper understanding of what we are about, and the spirit of good will and cooperation, that is part of Our Lady of Victory Catholic School, continue to bring God's blessing on all.

Catholic School Parents' Rights and Responsibilities

-excerpts from the NCEA publication *Home and School Working Together: Catholic School Parents' Rights and Responsibilities* by Sister Mary Angela Shaughnessy, J.D., PH.D.

When you enroll your child in a Catholic school, you have expectations of the school, parish, and administrators. You may not fully understand how legal rights and responsibilities apply to parents and students in independent schools. Government schools (public schools) and independent schools are governed by different rules.

Constitutional protections are guaranteed by the government, which pledges to respect certain rights outlined in the U.S. Constitution. Since a public school is a government agency, it is held to the same constitutional requirements that bind any governmental agency.

A Catholic school is an independent agency and private agencies do not have to enforce constitutional protections. Thus, one can make rules in a Catholic school that could not be made in a government school. In effect, a parent enrolling a child in a Catholic school or other independent school leaves the protection of the Constitution at the door of the school because such a school is not a government entity.

Although not protected by the Constitution, Catholic school students and parents have rights conferred by contract, as does the school. Catholic schools and parents also have contractual responsibilities. The Catholic Church and this Catholic school recognize parents as the primary educators of their children acting in partnership with Our Lady of Victory Catholic School. For example, in enrolling a child in Our Lady of Victory Catholic School, a parent agrees to follow the rules of the school. *The parents or guardians of students enrolled at Our Lady of Victory Catholic School must demonstrate a willingness to comply with the school policies, particularly as they are described in this handbook and implemented by the school's administration. A deliberate or persistent disregard, whether stated or demonstrated, for school policies, or in the opinion of the administrators, the partnership between the parents and the school is irretrievably broken, the school reserves the right to require the parents to withdraw their child from Our Lady of Victory Catholic School or have their registration for the following year denied. This is a very serious decision that is not made lightly and the administration will make the final decision in this regard.*

When the Catholic school administrator accepts the parent's payment of tuition or other consideration, the Catholic school has entered into a contract to educate the student.

Catholic school parents have legal rights. Among them are the following:

1. To have children receive an academically sound education in a Catholic environment
2. To talk with school personnel and to have requests for meetings answered in a timely manner
3. To receive fair hearings on concerns and grievances
4. To have students supervised in a safe and

- appropriate manner
- 5. To review records and respond
- 6. To participate in the life of the school

In enrolling your child in a Catholic school, you agree to certain important responsibilities. These include:

- 1. To be a partner with the school in the education of your child
- 2. To understand and support the religious nature of the school
- 3. To read all communications from the school and to request clarification when necessary
- 4. To know who your child's teachers are and to observe parent-teacher conference dates and any special requests for meetings
- 5. To discuss concerns and problems with the person(s) most directly involved before contacting legal authorities
- 6. To be as actively involved as you can be in the life of the school and to volunteer assistance when possible
- 7. To promote your school and to speak well of it to others
- 8. To meet your financial obligations in a timely manner and to support the fund raising efforts of the school when possible
- 9. To appreciate that Catholic education is a privilege that many persons do not have.

Our Lady of Victory Catholic School is first and foremost, a Catholic school. The religious formation of students is at the very heart of the school's mission. The parents or guardians of students who are not Catholic should realize that their child will be required to participate in the full educational program, including the taking of religion courses during which Catholic doctrine will be taught. Likewise, students will be expected to participate in the prayer and liturgical life of the school.

So, welcome to our Catholic school. The entire school community pledges its support to you. May Jesus, the model of all teachers, be our encouragement in this important ministry of Catholic education. Surely, He who said, "Suffer the children to come unto me" will bless the efforts taken in His name.

HISTORY OF OUR LADY OF VICTORY CATHOLIC SCHOOL

Our Lady of Victory Catholic School opened its doors in September 1957, to 231 students in grades one through four. Sister Evangelist Hearn, IWBS, served as the school's first principal, along with three other Sisters and two lay teachers. The school faculty was assisted that first year by a Parent-Teacher Club. Additional classrooms and the cafeteria were built in 1960 and 1961. The convent and library were completed in 1963.

In 1969, Our Lady of Victory became fully accredited by the Texas Education Agency as an educational institution for kindergarten through eighth grade.

Two years later, Our Lady of Victory School reorganized the curriculum to include the Montessori philosophy of educating the young child. Students were taught in different levels of instruction through small groups. This instructional method was introduced in kindergarten and the primary grades in September of 1971. Each year the program expanded into the next grade with remarkable success. By 1974, the Texas Education Agency made Our Lady of Victory Catholic School a "Demonstration School" for Individualized Instruction.

The parish and school continued to grow. In 1971, a gymnasium, science lab, music room, and other classrooms were added. In 1992, under the direction of the pastor, Monsignor Harrold, the Early Childhood Center was completed for educating 3, 4, and 5 year olds. The latest addition, the Art Center, was built in 1998.

In 2007, Our Lady of Victory Catholic School qualified to apply for the National Blue Ribbon School Award. In order to apply for this federally sponsored award, the highest grade level in the school must score in the top 10% nationally in both reading and mathematics. Additionally, the school must offer a Foreign Language class. In 2008, Our Lady of Victory Catholic School was named a "2008 Nationally Recognized Blue Ribbon School of Excellence." Our Lady of Victory Catholic School was one of only four private schools in the state of Texas to receive this award.

A portion of the library was converted to a computer lab that services every grade level in year 2012. Upgrades in the campus have included new windows in four units and a new security fence surrounding the main campus. Technology grew leaps and bounds with the addition of a part-time technology coordinator. iPads carts containing 25 iPads have been added to each grade level. Curriculum changes have included the addition of band and new electives for the 8th grade.

Today, Our Lady of Victory Catholic School continues to thrive academically, but also continues to cultivate the faith life of each child who enters its doors. Students attend weekly Mass and participate in community service projects every year. Work in partnership with parents to provide the best education possible, Our Lady of Victory Catholic School continues to foster a life based on the Gospel values as taught in the life of Christ as we educate hearts, minds and souls for eternity.

RIGHT TO AMEND

Our Lady of Victory Catholic School reserves the right to amend this Handbook at any time. Notice of amendments will be sent home either in the monthly newsletter or special parent memo. The principal is the final recourse and reserves the right to amend this handbook. Parents will be given prompt notification. Parents will be informed well in advance of the amendment becoming effective unless it is of an extremely serious matter.

He has the ultimate responsibility for articulating the faith and educational policies. He delegates ordinary oversight of the Catholic School System of Superintendent of Schools.

DIOCESAN EDUCATION OFFICE

The superintendent of schools is ordinarily that staff person of the bishop with whom Catholic schools relate most directly. The responsibility of the superintendent and staff is clearly delineated in each diocese's educational policy manual.

PASTOR

The pastor is in a unique position to impress his parishioners with the importance of Catholic education, and to influence the quality of education in the parish school. Working with the parish school board he helps establish policy; working with the principal he helps implement the policies.

PRINCIPAL

The principal, with the authority delegated as specified in the employment contract or job description, is responsible for the operation of the school program. This responsibility includes the employment, supervision and evaluation of staff, the establishment of education programming, and the evaluation and management of student behavior. These responsibilities, or course, are assumed in accord with diocesan and local policies.

In addition to these administrative responsibilities, the principal has serious responsibilities as spiritual leader of the school. The principal is the one who assumes responsibility for understanding and accepting the unique role that Catholic schools serve in the educational mission of the Church. The principal serves as the chief spokesperson in articulating this mission, and in calling the faculty and students to participate in a significant way in the liturgical life of the Church.

ASSISTANT PRINCIPAL

The Assistant Principal is responsible for the school in the absence of the principal. He/She acts as a sounding board and advisor to the principal as well as performing all duties assigned by the principal.

The School Council meets monthly on the last Wednesday of the month at 5:30 PM in the school office unless circumstance dictates otherwise.

TEXAS EDUCATION CODE Sec. 25.092.

MINIMUM ATTENDANCE FOR CLASS CREDIT (90% ATTENDANCE RULE)

Any student missing 20 or more days in a school year **for any reason** either loses credit or must work out a plan for remediation acceptable to the Attendance Committee consisting of teachers and school administration. The remediation plan must be completed in the designated time period. At that time, the administration will determine whether the student will be promoted, transitioned, or retained.

Once on the school grounds, no child may leave the grounds DURING SCHOOL HOURS. Exceptions are:

Teachers are not responsible for reteaching any new skills missed during the student’s absence. Parents are responsible to prepare the student to take any test missed during absence.

Tardies should be avoided. Students who arrive after 7:50 AM are tardy and must report to the school office. **Notes or email from parents are required for students who arrive late or leave early.**

- A. Excused tardies include medical and dental appointments.
- B. **Five tardies will result in a 30 minute detention for students in grades one through eight.**
- C. **Six tardies will equal one (1) absence for students in grades one through eight.**
- D. **Any student with 6 or more tardies will not be eligible for Perfect Attendance.**
- E. Between-Class Tardies: Students in grades 7th and 8th have three minutes between classes for going from room to room. Students not in the classroom after the bell rings for class to begin will be marked tardy. All tardies, after the first warning, will result in an after-school detention in increments of 30 minutes per tardy.

Student illness: In case of student illness or similar emergency, the school office will notify the parent or guardian and make arrangements for the child to be picked up immediately. When a parent cannot be contacted, persons who are listed for emergency contact will be notified.

G. HOMEWORK (edited 09-26-2017)

Homework assignments for students in grade K -4th should be reasonable and give the students practice on skills studied. Students are expected to turn in all assignments on time, neatly done, and complete.

Missing Homework:

1st Day - 10 points off

2nd Day - 10 more point off and stay after school with parent contacted

3rd Day – 10 more points off and stay after school with parent contacted

4th Day - sent to the Principal for education study plan

The following suggestions can help to make the process of learning more beneficial:

1. Keep an assignment book for daily subject assignments.
2. Have a regular place and time for homework, free from distractions.
3. Review class notes or reading material daily.
4. Get after-school tutoring.

There are circumstances that may interfere with turning in assignments punctually. The following guidelines will assist the student to reasonably meet homework assignments.

Homework for students in grades 5th and 6th

1st day - 20 points, lunch detention to work on missing assignment

2nd day - 20 more points off and stay after school with parent contacted

3rd day - grade of "0" will be recorded in the grade book. If the work is completed, a grade may be recorded at the discretion of the teacher.

1. **Excused Absence:** All make-up work is due within a reasonable time frame established by each individual teacher.

NOTE: Students who must leave during the school day for a doctor/dentist appointment are responsible for getting the assignments from the class(es) missed. These assignments are due on time. If a student is absent, that day's homework will be collected by the student's homeroom teacher and delivered to the office to be picked up at the end of the day.

2. **Excused Work:** Sometimes unexpected situations can interfere with after-school study (family emergency or student illness). A note must be sent by the parent the following day explaining the circumstance why the homework was not completed.

NOTE: Extracurricular activities, sports and planned family activities/vacations do not excuse assignment work.

The OLV Jr. High Faculty (7th and 8th grades) will adopt the following policy regarding homework and late work:

- One Day Late: Student will be penalized 30 points for late work. Parents will receive written or electronic notification from the teacher regarding the assignment.
- Two Days Late: Student will receive a "0" in the grade book until the assignment is turned in. If the assignment is still not turned in after several days, the "0" may stay even after completion, and parents will be notified that the student is still not doing his/her work.
- Repeated offenders will be assigned lunch detention or after-school detention by the teachers, and Conduct grades may be affected.

Students who are diligent in completing their work on time will benefit most from this system, as they will be rewarded for doing the work in a timely manner for themselves and for the teachers. Jr. high students must be charged with taking responsibility for themselves, and this responsibility includes the completion of assignments on or before their deadlines. Students must accept this responsibility, as it is a sign of maturity and growth on their part.

H. LIBRARY

The Library is one of the focal points of the school. It is part of the whole teaching program that fortifies and supports the curriculum. In order to insure the best service to the students, the following regulations are made:

1. The library is open from 7:30 AM – 4:00 PM.
2. Students have a regular period each week to go to the library.
3. The library is a place of study. Students are to keep silent in the library. When it is necessary to speak, students are to whisper.
4. All books or materials taken from the library must be checked out at the Librarian's desk.

Ongoing discussion between parents and teachers is encouraged. To schedule a

conference, please call the School Office and leave a message for the teacher(s) with whom a conference is requested or send a note with your child. The teacher(s) will contact you to schedule the earliest convenient conference time. **Do not interrupt a class to conference with a teacher. This includes the time prior to the beginning of the school day.**

Confidentiality

Teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake. Parents/administrators will be promptly notified of teacher concerns.

Questions/Complaints: Questions/Complaints should be handled at the lowest level. Persons with concerns about a teacher should first attempt to address the concern with the teacher. Only after such attempts have failed, should administrators be contacted.

A request for a review or copy of records must be presented in writing. The school has 48 hours to comply with the written request. A parent/guardian must complete a student withdrawal/record transfer form available in the OLV school office upon the withdrawal of a student from OLV.

R. CARE OF SCHOOL PROPERTY

Grades are checked on Monday mornings. A student who is failing any subject will be ineligible to play in a game until the following Monday. In the case of two games in one week, the student will miss the first game and grades will be rechecked to see if the student is eligible to play in the second game. Student must also maintain a satisfactory grade in conduct. A conduct grade below an S in any subject will make a student

ineligible to participate until the grade improves. Discipline slips, depending on the infraction, could make a student ineligible to participate for that week.

Annual physicals are required before students can participate in sports, cheerleading, and/or dance team activities. Physicals are kept on file in the school office.

CHEERLEADERS: Cheerleaders are selected each year in the Spring. Sixth and seventh grade students who are chosen to be cheerleaders will serve the following year.

Weekly eligibility is the same as in athletics. **Annual physicals are required.**

Cheerleaders will be selected through an outside panel of judges and a teacher vote (2/3 judge vote and 1/3 teacher recommendation). Results will be posted as soon as the results are tabulated.

DANCE TEAM: The dance team is open to any student in grades 5-8. Enthusiasm, school spirit, loyalty, and a sense of fellowship are promoted in the dance team. Academically, dance team members must maintain a 70 average with an S in conduct. Members wear a uniform and traditionally perform at all home games. Membership in the dance team is a prerequisite for cheerleading. Weekly eligibility is the same as in athletics. **Annual physicals are required.**

NATIONAL JUNIOR HONOR SOCIETY

Purpose: The National Junior Honor Society is an organization established to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership to develop character, and to encourage citizenship. The Principal shall reserve the right to approve all activities and decisions of the chapter. The Principal shall annually appoint a Chapter Advisor who may serve consecutive terms. The Faculty Council shall consist of the junior high teachers. The Council shall meet at least once a year to select members. The Council shall also meet once every nine weeks to review the scholastic and/or disciplinary status of members for continued eligibility.

Membership: Membership in the National Junior Honor Society is both an honor and a responsibility. Students selected for membership are expected to continue to demonstrate the qualities of scholarship, service, leadership, character, and citizenship. All members will be required to give 15 hours of service to the community. New members will be inducted at a special ceremony held in May of each school year. A National Junior Honor Society member who transfers from another school and brings a letter from the former Principal or Chapter Advisor to the new school's Advisor shall be accepted automatically as a member of the new school's chapter. Transfer members must meet the new chapter's standards within one semester in order to retain membership.

Selection of Members: To be eligible for membership, the candidate must be a member of those classes (7th and 8th) designated as eligible in the school. Candidates must have been in attendance at the school the equivalent of one semester. Candidates must have a cumulative scholastic average of at least 90 percent from the beginning of the year in the following subjects: English, reading, math, history, science, and religion, at the time of selection. No student should be eligible for membership in National Junior Honor Society if he/she has multiple unsatisfactory conduct grades. The Faculty Council will determine eligibility based on conduct. Candidates shall then be evaluated on the basis of service, leadership, character, and citizenship (the criterion for these characteristics is defined in the National Junior Honor Society Handbook kept by the Chapter Advisor).

Discipline/Dismissal: The Chapter Advisor monitors all members for compliance with the standards for membership in NJHS. Members must maintain an academic average of 90 or above for each nine-weeks grading period. Members are expected to serve as role models – leadership by example – at all times. Any member who falls below the standards, either academically or behaviorally, will be placed on probation. His/Her status will be reviewed every nine-weeks to determine continued eligibility. If at that time the member is not in compliance with the standards, he/she will be dismissed from NJHS. Serious infractions of the standards (i.e. cheating on a test), could result in immediate dismissal.

STUDENT COUNCIL

Student Council is a student-elected service organization in grades 7 and 8 which coordinates a number of projects throughout the school year including, but not limited to, a food drive and the distribution of food baskets at Thanksgiving. To be eligible for Student Council a student must have at least an 85 average for the previous year's classes, including religion, and no grade lower than a 75 at the end of the 1st progress reporting period. Students must also have a good discipline record. If they have received consequences as a result of misbehavior the previous year, the administration will review their record and may, at their discretion, declare the candidate unfit for election. If at any time the student receives a failing report card grade, he/she will be removed from the Student Council. If a council member is failing in any class when meetings or other Council activities occur, he/she will be ineligible to take part in the activities. Any serious disciplinary infractions will result in removal from the Council. Less serious infractions (i.e., excessive tardies) will be cause for review by the sponsor and administration and may result in removal from the council.

SAFETY PATROL

Members of the Safety Patrol work to assure the safety of all students in the parking lots at release time each day. Students in the fifth and sixth grades are eligible to serve on the patrol. All students and parents are asked to obey the signals and regulations of the Safety patrol on the street and in the front and back school parking lots.

GENERAL POLICIES

The policies set forth here apply equally throughout the entire school complex and at any other place where students represent or are identified with Our Lady of Victory Catholic School.

A. EXTRACURRICULAR SCHOOL ACTIVITIES

Our Lady of Victory Catholic School will not be held responsible for any students attending extra-curricular school sponsored games unless the students are on the athletic team, dance team, or are cheerleaders, and are supervised by their respective coaches or school-designated sponsors. Other students who attend should have adult chaperones.

B. SCHOOL PHONES

School phones are to be used only for emergency situations or with permission from an administrator or teacher. Students should get permission for after-school activities from their parents before coming to school.

C. EMERGENCY CARE

If we believe that your child needs emergency care, we will call the EMS. The school will notify you immediately provided we have your correct telephone number/s. If necessary, your child will be transported to the medical facility designated by you on the Emergency Card.

D. CHILD CUSTODY

OLV requires that the custodial parent file the most recent court-certified copy of the custody section of the divorce decree or a court-certified copy of the custody decree with the school. If no such copy is on file, school officials will presume that both parents have custodial rights. School officials will make all reasonable efforts to ensure that children are released only to the appropriate parent at the appropriate time according to the court-mandated custody arrangements. **However, parents must accept the primary responsibility for such arrangements and should instruct their children as to which parent should have physical custody of them on any given day.**

E. CELL PHONES AND OTHER ELECTRONIC EQUIPMENT (edited 7-23-2018)

Regarding cell phones, we are all aware of the problems in our country with cell phone use. Cell phones in schools are used to cheat, harass other students and participate in inappropriate, potentially illegal and very harmful acts on line. This cannot be tolerated nor can it be effectively prevented as long as such devices are allowed on campus. We, at OLV, have experienced some of these same problems. Therefore, in order to implement the Diocesan Safe Environment Code and for the total protection of each child, we have adopted the following policy regarding cell phones:

*If your child has a cell phone, we highly recommend that it be left at home. If, however, you feel the phone might be needed by the older students who have after-school activities, it would behoove you, as you drop your child off in the morning, to check to see that the phone is off and in the backpack before the child exits the car. From the moment the student comes to school, the phone **MUST** remain in the “OFF”*

position and in the backpack when in the classroom until 3:30 when the bell rings after dismissal or 12:30 during early dismissal days. If a student is found with a cell phone in his/her possession other than the backpack during this specified time or not in the "OFF" position, the cell phone will be confiscated whether or not it is being used at that time. A \$50.00 "recovery fee" will be assessed per offense whether or not the student wishes to recover the device. An unpaid "recovery fee" will result in the withholding of all school records. In addition to the fee, a parent or legal guardian will be required to accompany the child to retrieve the cell phone from the Principal's office. The second infraction will result in the student not being allowed to bring the cell phone to school. All school communication must be handled through the office during school hours.

Hand-held electronic devices (including, but not limited to pagers, PDAs, MP3s, iPods, any electronic games or communication/information devices, etc.) will follow the same policy as the above mentioned cell phone policy.

Our Lady of Victory Catholic School is not responsible for the loss of, or damages to, any cell phones or electronic devices.

F. COMPUTER AND INTERNET POLICY (edited on 09/21/2017)

Parents must realize that their students may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.). **The student is responsible** for not pursuing material that could be considered offensive.

The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification **of teacher or system settings** will result in cancellation of privileges and/or school disciplinary action.

The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request the system administrator to deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.

Engagement by Parents and Students in on-line social networking such as, but not limited to, Snap Chat, Twitter, Instagram and Facebook etc., whether inside or outside the school, may result in disciplinary actions if the content of the student's or parent's blog includes defamatory comments regarding OLV school, administration, the faculty, other students or the parish.

Texting: Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face detention, suspension, and/or expulsion.

Sexting: Students involved in possession or transmission of inappropriate photos on their

cell phones or other electronic devices face suspension and/or expulsion.

Virtual Reality Sites: Virtual Reality sites such as, but not limited to, www.there.com and www.seconddlife.com pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer.

G. PLAGIARISM

Plagiarism is the unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one's own original works, as by not crediting the author. Plagiarism will be handled on an individual basis.

H. PHOTOGRAPHS

Photographs of students may appear on the school Web site or in other publications. Parents who do not wish their children's photographs to be placed in public media must notify the principal in writing prior to the beginning of school.

I. PUBLIC DISPLAY OF AFFECTION

The rule for boy/girl friends at OLV is **NBC**, which is *No Body Contact*. This includes inappropriate "hugs," holding hands, etc. The NBC rule applies at all times on campus and at school-related events.

J. HARASSMENT

Harassment is contrary to the Catholic faith and detrimental to the education process. Accordingly, harassment involving any student or staff member shall be investigated, and appropriate remedial action shall be promptly taken. Harassment shall be defined as any conduct of an intimidating nature, which creates a hostile or offensive environment. A student engages in harassment behavior of any type may be liable to suspension and/or expulsion. The parent will be notified. (Diocese of Victoria Handbook of Policies and Regulations for Catholic Schools, Section 5000, Students, page 5)

K. HAZING

"Hazing," means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other purpose. No student shall plan, direct, encourage, aid or engage in hazing. This policy applies to hazing behavior that occurs on or off school property and during and after school hours. The school administration will act to investigate all complaints of hazing and will discipline or take appropriate action against any student who is found to violate this policy. Any person who believes he or she has been the victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate school official.

L. THREATS

A threat is defined as any verbal or written comment, **in jest or otherwise**, which would cause alarm to the school or anyone in it. Any threat of bodily harm or threat of the possession of a weapon shall be taken seriously. Teachers, students, parents, or staff shall be responsible to report to the administration any knowledge of verbal or written threats. Any such threat and any false reports of such threats may result in immediate suspension or expulsion. **Any student, who makes a threat toward another student, even in fun, will be disciplined in an age appropriate manner. Discipline will be administered at the discretion of the principal or the principal's designee and may result in immediate isolation with parent notification.**

M. BULLYING

A student who repeatedly uses verbal, physical, or written threats made against the physical, mental or emotional well-being of any individual is "Bullying". A definition of "Bullying": whenever a student intentionally, repeatedly, and over time inflicts or threatens to inflict physical or emotional injury or discomfort on another's body, feelings, or possessions. For "Bullying" to occur, there must be an intent to do harm. It must take place over time (not an isolated incident), and it must involve a power differential such as bigger size, greater resources, and more status. Students making such threats seriously or in gesture, or online, may be liable to suspension and/or expulsion. OLV will not tolerate bullying in our school and will intervene in bullying behaviors. **(See Our Lady of Victory Catholic School Anti-Bullying Policy, page 44)**

N. SEARCH AND SEIZURE

The school reserves the right to search any student locker or bag on school property when reasonable cause leads to suspicion that an item or items injurious to the student or others may be present. This practice also extends to the student, his/her materials, and items in his/her possession. Any searches will be conducted by an administrator in the presence of another adult. Parents may be notified if a search has been conducted.

NOTE: If the student refuses to cooperate with such a search, his/her parents will be notified, and he/she may become subject to suspension or dismissal.

DISCIPLINE PROGRAM

Our Lady of Victory Catholic School strives to develop students who exhibit Christian values in their daily lives. Chief among these values are the characteristics of responsibility, respectfulness, and courteous behavior. Disciplinary guidelines are in place to encourage students to practice self-control and serve as models for one another. Each student attending our school is an Our Lady of Victory Catholic School's student at all times. N. SUSPENSION

Suspension is a serious disciplinary action that results in the temporary dismissal from classes. A student issued an in-school or out-of-school suspension forfeits participation in any club, sport, or school-related activity during the period of suspension.

A student placed on probation may be removed from an office of any club, class activity or organization and denied the privilege to represent the school in any extracurricular activity - athletic or other. A probationary period can be designated for the remainder of the school year or less. Failure to comply with the conditions set forth in the probationary contract may lead to dismissal.

Dismissal is a serious matter and is invoked only as a last resort. Normally, it will follow a grave offense or a series of offenses indicating a student's unwillingness to follow the guidelines of the Our Lady of Victory Catholic School Handbook.

R. APPEALS PROCESS

Although the Diocese of Victoria endeavors to establish a harmonious Christian atmosphere within its schools, it recognizes that misunderstandings or differences of opinion sometimes occur. Ideally, a parent or guardian meeting with the immediate authoritative person to discuss the matter can resolve such matters informally. If, however, the matter is not then settled to the parent or guardian's satisfaction, and the parent or guardian believes the dispute to be a misapplication or misinterpretation of a school related policy, only then may the parent or guardian institute a formal grievance. A formal grievance must be in writing and must be received in five (5) working days following the occurrence of the event on which the grievance is based. Please contact the principal for a copy of the Diocese's current appeals/grievance procedure for further details. Also, please note that the current policy supersedes and replaces all previous policies and statements regarding institution and processing of formal grievances within Catholic schools of the Diocese of Victoria.

U. SCHOOL LUNCH PROGRAM

All students are expected to act in an orderly manner in the cafeteria whether they buy or bring their lunch. Proper table manners, thoughtfulness of others at the table, and a quiet tone of voice at meals help to maintain a pleasant mealtime atmosphere. A hot lunch program for students in grades 3K - 8 is available in the school cafeteria. Preschoolers who remain for day care may participate in the lunch program. The cafeteria has initiated the My School Bucks program. This program is accessed through the OLV home page and allows parents a secure way to add money to and monitor their children’s lunch account.

Adult lunches	\$3.50	Milk	.30
Student lunches	3.50	Water	.50
Ice cream	.40 for grades 1 & 2 (smaller servings)		
	.50 for grades 3 – 8		

Morning Break Items for 6th, 7th, and 8th grade students only range from \$0.50 - \$1.25.

Drink selections include: whole milk, low-fat milk, chocolate milk, and fruit drinks.

Parents/Guardians are invited to eat in the cafeteria with their children **occasionally**, keeping in mind that this is a time for students to bond with classmates. Please notify the cafeteria staff by 9:00 AM on the day that you wish to have lunch with your child. The cafeteria phone number is 575- 5391 ext.112. Each class is allowed a 30-minute lunch period. Students must remain in the cafeteria for 20 minutes of this period.

Fast food includes restaurant-prepared food. Students are allowed to bring left-over fast-food items in their lunch kits. If your child forgets his/her lunch, they will be charged a lunch to their account.

All late lunches are to be delivered to the Office only, not to the classroom or cafeteria.

Students are not allowed to use the phone in the cafeteria without a teacher's permission.

V. PEANUT/TREENUT POLICY

1. A **Peanut/Treenut-Free Table** is designated in the cafeteria as an option for those who have Peanut/Treenut allergies. The decision is the parent's as to if or when their children will use that option; however, inhalation allergic students must sit at the Nut-Free table and may bring 2 or 4 friends with them who have peanut/nut-free meals.

2. While OLV does not encourage peanut butter/treenuts being brought to school, these are allowed for lunch by all classes **EXCEPT ECC** where no nuts of any kind are allowed even for the After-School care. If children bring peanut butter to school, no peanut/treenut products should be consumed at break time in the grades that are designated **ALLERGY-CONTROLLED ZONES**. At lunch, students who bring peanut butter must sit at the end of the table away from the allergic children and never share food.

3. Students in classes with friends who have an inhalation allergy must never bring peanut products to school for any reason, lunch included.

4. If children bring peanut butter or nut products for lunch in classes where there are students present with these allergies, it should be kept in a closed lunch kit and opened for lunch only. Snacks brought to school for break should be sent in the backpacks separate from any peanut butter product in their lunch kits.

W. BIRTHDAYS / CELEBRATIONS

Students can be denied participation if they fail to meet academic or behavior requirements. **A written official permission slip, signed by the parent or guardian, is required before a child will be permitted to attend a field trip. A Field Trip form is included in the back of this Handbook.**

Y. TRANSPORTATION POLICY

The OLV bus should be used whenever possible for the transportation of students on all field trips, both in the city of Victoria and on out-of-town trips.

AA. USE OF SCHOOL GROUNDS

All requests for the use of OLV School grounds, outside of parish and school functions, must be approved by the Pastor.

BB. AIDS POLICY

Based on the current opinion of the scientific and medical community, AIDS is caused by a virus known as HTLV-III/LAV which attacks the body's immune system, thereby leaving the individual vulnerable to opportunistic infections. A person afflicted with AIDS suffers a variety of virus and/or fungus-caused illnesses that debilitate the body resulting in a substantially high mortality rate often within three years after diagnosis. The spread of the virus has occurred through the exchange of body fluids (blood, blood by-products, or semen) between individuals, and no evidence exists to indicate the spread of the virus through casual contact.

Recognition of a student or employee with AIDS is not reason alone for exclusion from school. Each person will be evaluated as an individual case, and exclusion from the school and exclusion from the school environment will be based upon the person's physical limitations, psychosocial activity patterns, and the opinion of a panel of responsible persons designated by the superintendent of Schools. In the case of a student, the panel shall be comprised of the student's parent, the school's physician, the school's nurse, the student's physician, and the principal of the school where the child attends or

will attend. The Superintendent may appoint additional persons if he/she deems it appropriate and necessary. In the case of an employee, the panel shall be comprised of the school's physician, the school's nurse, the employee's physician, the principal of the school, and a representative of the Superintendent's Office.

If a student has been diagnosed as having AIDS and has any of the following conditions, he/she shall be excluded from attending school:

1. Vomiting.
2. Lack of toilet training.
3. Tendency to bite.
4. Open sores.
5. Other medical conditions conducive to spreading the virus.

CC. CHILD ABUSE POLICY

The Diocesan School Board is committed to physical, emotional, spiritual, intellectual, and social well being of students and to the promotion of the Christian family life concepts. Therefore it is the policy of our school system to pursue all reasonable measures to assist maltreated children and their families. Our Lady of Victory Catholic School and the Diocesan Catholic Schools Office will:

1. Cooperate with official child protective agencies in identifying and reporting of suspected child abuse and neglect.
2. Provide child abuse awareness in-service education, including legal requirements, for school personnel.
3. Encourage inclusion of appropriate child-abuse awareness education in classrooms at all grade levels.
4. Provide guidelines for reporting and follow-up by school personnel.
“How to Protect Children from Child Abuse” from the Office of Safe Environment of the Diocese of Victoria is provided in an addendum in this handbook.

DD. ASBESTOS

Some asbestos-containing building materials are found in the school. The asbestos is in some of the floor materials and does not pose a danger to the students. It is inspected regularly and is in the school's management plan. Law requires notice of this.

OUR LADY OF VICTORY CATHOLIC SCHOOL ANTI-BULLYING POLICY

Based on our philosophy that Catholic Schools have been established to provide an environment of faith, which brings all of life together within the grace and love of God, we have established the anti-bullying policy set forth. Our Lady of Victory Catholic School views bullying as unchristian behavior, and it will not be tolerated. We define bullying as an act which:

1. Repeatedly hurts another individual either-
 - a. Physically (such as pushing, hitting, kicking, spitting, or any other use of violence, taking items from, forcing to do something unwillingly), etc.

- b. Verbally (such as teasing, name-calling, sarcasm, threatening, spreading rumors), etc.
 - c. Indirectly (such as excluding, being mean, tormenting, using hurtful gestures, making hurtful written comments), etc.
 - d. Through the use of technology (such as cyber bullying – using technology to hurt others through any communication device such as e-mail, cell phone, camera, chat rooms, text messaging, or websites), etc.
2. Is deliberate and sustained
 3. Is intended to isolate, hurt, or humiliate another individual
 4. Is unprovoked

The goal of Our Lady of Victory’s Anti-Bullying Policy is to ensure that all students experience a safe, Christian environment that is conducive to learning. The following steps will be taken when dealing with bullying incidents:

1. Isolated or initial incidents which do not constitute bullying will be handled by the teacher in charge during the time of the incident. Depending on the severity of the incident, the principal and/or parents may be notified. Disciplinary action set forth in the school handbook will be followed.
2. Whenever possible, any incidents which may constitute bullying should be reported immediately to the teacher in charge at the time of the incident. The teacher in charge at the time of the incident will immediately deal with those involved in the incident.
3. In some cases, students may choose to report the incident to a different adult in the building, such as an aide, their homeroom teacher, or the principal. If so, students are encouraged to report the incident(s) as soon as possible.
4. The principal or teacher in charge should be made aware of any bullying incidents. Students engaging in bullying behavior will be disciplined according to the discipline policy. Depending on the severity and length of the incident, parents may be notified.
5. If the bullying does not cease after the student has been disciplined, parents will be notified and other action will be taken according to the school discipline policy.

In addition to the above outlined steps, anti-bullying policy requires the following:

1. Staff members of Our Lady of Victory Catholic School should:
 - a. Remain alert to signs of bullying and act promptly and firmly against it according to the school’s discipline policy.

- b. Report incidents of bullying to the principal or teacher in charge, who will determine if further disciplinary action should be taken, and/or if parents should be notified.
 - c. Offer support and encouragement to students being bullied, including notifying parents, principal, and/or support staff as needed.
 - d. Encourage all students to refrain from bullying behavior and encourage reporting of any bullying behaviors they witness.
2. Parents of Our Lady of Victory Catholic School students should:
- a. Report concerns of bullying behavior to their child's homeroom teacher as soon as possible following the incident(s). If concerns are not handled sufficiently at this level, a report should be made to the principal.
 - b. Support the school's anti-bullying policy and actively encourage their child to avoid bullying behavior.
3. Students of Our Lady of Victory Catholic School should:
- a. Report incidents of bullying they witness to the teacher in charge at the time of the incident, or to another staff member as soon as possible following the incident.
 - b. Whenever possible, stand up for the student being bullied, and refrain from joining in bullying behavior.
 - c. Treat others with the respect and dignity that is expected of any Catholic school student.
