Medical Information

If your child has a medical condition or requires special medicine, like an epipen, inhaler, etc., please contact the office ASAP if you have not already done so. Students should not have medicines with them unless the teachers and the office are aware of their condition.

Child Custody

OLV requires that the custodial parent file the most recent court-certified copy of the custody section of the divorce decree or a court-certified copy of the custody decree with the school. If no such copy is on file, school officials will presume that both parents have custodial rights. School officials will make all reasonable efforts to ensure that children are released only to the appropriate parent at the appropriate time according to the court-mandated custody arrangements. **However, parents must accept the primary responsibility for such arrangements and should instruct their children as to which parent should have physical custody of them on any given day.**

Office Depot Back to School

Throughout 2019-2020, every time parents, students, and school supporters shop at Office Depot, we would appreciate your giving them Our Lady of Victory's name or ID number 70101780 as you ring up your purchase. We will then earn 5% credit to use in the store for needed school or office supplies.
