Sister Donna May: Mary and Moms

May is traditionally dedicated in a special way to honoring and seeking the intercession of Mary as the Mother of God and Mother of the Church. Some of the ways we do this is through May Crowning Services and praying the rosary.

Pope Francis says: "Mary is that woman who rejoiced in the presence of God, who treasured everything in her heart, and who let herself be pierced by the sword. Mary is the saint among the saints, blessed above all others. She teaches us the way of holiness and she walks ever at our side. She does not let us remain fallen and at times she takes us into her arms without judging us." As the Mother of God, the Virgin Mary has a unique position among the saints, indeed, among all creatures. She is exalted, yet still one of us. Why does Mary have such a prominent place in the communion of saints? Mary embraces God's will and freely chooses to cooperate with God's grace. Throughout the centuries, the Church has turned to the Blessed Virgin in order to come closer to Christ. Many forms of piety toward the Mother of God developed that help bring us closer to her Son. The Church honors her as the Mother of God, looks to her as a model of perfect discipleship, and asks for her prayers to God on our behalf.

Celebrating Motherhood in May

May is also dedicated to recognizing moms, grandmothers, stepmoms, mothers-to-be and all women who in and through their lives encompass the qualities of motherhood. It's also important to realize that Mother's Day can be difficult or painful for women who struggle with infertility, the loss of a child or children, or who are estranged from their own mothers.

A Mother's Day Prayer

I thank you, Creator of us all, for my mother. I thank you that she gave me life and nurtured me all those years. She gave me my faith, helping me to know you and to know Jesus and his ways. She taught me how to love and how to sacrifice for others. She taught me that it was okay to cry and that I should always tell the truth. Bless her with the graces she needs and which you want to give her today. Help her to feel precious in your eyes today and to know that I love her. Give her strength and courage, compassion and peace. Bless her this day with your love.
