LIBRARY NEWS

Thank you to the OLV PTC and the volunteers that helped organize and run the Book Fair. It would not have been possible without you.

February is a busy month in the library. The OLV Library is celebrating Black History Month by honoring the achievements of African Americans and showcasing books written by African American authors. The Library is also spreading a lot of Christian Love to recognize Valentine's Day.

Kids Heart Challenge (KHC) is a fundraiser to help children become aware of signs and symptoms of heart disease and stroke. The American Heart Association (AHA) partners with schools each year to help bring awareness to school age children. Our event kicks off on Monday, February 3rd with a video during PE classes to get the word out to the students. Students will raise money for the AHA and close with a jump roping day in PE Classes on Friday, February 21st. There will be incentives for the students who participate in raising money to help support AHA.

PTC NEWS + UPDATES

Class Valentine's parties will be on the 14th. Be on the lookout for more information coming from your teachers and room parents.

The 14th is also our school Gala. We encourage you to attend and help with our school's biggest fundraiser of the year. It is also a great time spent with fellow OLV families and staff. The Gala Committee has worked hard putting this event together, and they are known for putting the fun in FUNdraiser!

Everyone who helped with Catholic Schools week is greatly appreciated. Parents, staff and other volunteers deserve a huge thank you for ensuring the students enjoyed their time celebrating their school. The Book Fair is always the main attraction, and it is a success due to OLV families buying books for their children and for the teachers' classrooms. All sales help our library to buy new material for the students throughout the year. Make sure to attend our future meetings and we will have final numbers to share.

We will not have a meeting for the month of February. Our next meeting will be Friday March 14th at 12 pm in the St. Clare room of the Cathedral Center. We

will discuss upcoming events such as the Junior High dance, teacher appreciation week, and even field day. It's hard to believe the school year is almost over! We hope to see you there.
